

Accelerated BS to MBA Degree Program

The Accelerated BS to MBA degree program offers several advantages. The program:

- Accelerates the attainment of an advanced degree
- Facilitates seamless transition to a master's degree
- Increases students' marketability in the workforce
- Saves students time and money

Application Requirements

Business students may apply to the program upon completion of 60 credits, and upon acceptance, take two graduate courses (6 credits) within their last 30 undergraduate credits.
