DOWNLOAD ANNOTATED P DF'S
x   Users were accustomed to downloading annotated files when Crocodoc handled inline file rendering. With the switch to New Box View, this capability wasn't available and highly requested. Blackboard listened and developed the ability to download annotated files using the New Box View.
x   In this release, both instructors and students can download certain file types (DOC, DOCX, PDF, PPT, PPTX, XLS, XLSX) with annotations as an annotated PDF. Students can download the annotated file after their submission has been graded.
x   Visit Inline Grading and New Box View Update on the Blackboard Community for more information and a video demonstration.

General Data Privacy Regulation (GDPR)   User Report
x   One of the requirements of the EU GDPR is to allow users to receive human-readable reports of personal information that has been collected about them. Managed Hosting and Self-Hosted clients receiving user requests may submit a case on Behind the Blackboard, including the user's ID, to request the exported report package.

Cloud Storage I ntegration
x   Foundation for tool that will allow Instructors to copy files from their favorite cloud storage solutions when authoring content items or creating assignments. Using this tool, Students will be able to submit assignments from their favorite cloud storage solutions.
